WHY DO WE NEED A CLUB CHARTER?

Football brings together people from all backgrounds, religions and races. As a club, we play a major role in developing the physical, social and mental wellbeing of our players. We need to get it right.

AT HALAS HAWKS, YOU SHOULD:

 **Respect opponents, match officials and each other**

 **Create a positive environment**

 **Coach everyone, regardless of ability**

 **Value volunteers**

 **Aim to win, but not at all costs**

 **Win with dignity, lose with grace**

 **Encourage decision making in our players**

 **Work as a team; Support each other**

 **Enjoy yourself**
